One Way to Beat Bugs One Way to Beat Bugs
A farmer says the Ridgetown Dominion, claims to have found a cure
for potato bugs by ten years experimenting in Colorado. His place
cach hill of notatons. He says that
title bugs will shun it every time, and
that for ten years he has been thus
successful in raising potatoes where
others have failed.

Increased Butter Production Film Tells Fortune Of Disabled Soldiers

M.H.C. Arranges Movie to Cheer Crippled Canadians in English Hospitals

English Hospitals

"Movies," showing the reception
of a soldier when he returns to Canada have been hit upon as the best
inoculation against "glooms" for the
wounded Canadian in England, and
the military hospital commission has
seemed through the army Y.M.C.

The film can be run off in an hour and speakers who have made a study of the situation will be present to urge men to take advantage of the great opportunities offered them to better themselves.

Germany's pace overtures are as deadly as polion gas. They are not referred as a few paces of the paces of th

Worth Protecting

A good article is worthy of a good package. A rich, strong, delicious tea like Red Rose is worth putting into a sealed package to keep it A rhoughthup fresh and good.

A cheap, common tea is hardly worth taking care of and is usually sold in bulk.

Ped Rose is always he sealed

Red Rose is always sold in the sealed package which keeps it good.

Blame It On The Tire

lledidn't pump it fullenough, though all the air is free; He left it soft and spongy like, and scoot-

ed on with glee;

through dust and mire, And when it burst He cursed and cursed, and blamed it on the tire. He cut it on some broken glass, but said

thet didn't hur:
He kept right on through sand and mul
and filled the cut with dirt.
It spotted there and rotted there and soon
he howled in ire.
When up it blew
He blew up to,
and upmed it, or the tire.

He put on chains that ground and chewed and gonged into the treat; the knew his wheels were out of fine. But what of that?" he said. He whized along and sized along, he picked up nails and wire. And when it banged. And the it banged.

Who is this man? Go ask the boys who meet him every day.
Go ask the boys who have to hear the things he has to say.
He bores in and he roars in with words

of angry fire.
Though he's to blame,
It's all the same—
Ife blames it on the tire.

Oddfellows Welcome Returned Member

A very pleasant evening was spent by the members of Coleman Lodge No 36, IO.O.F., and their lodge 80 58, 10.43.F., and merr friends on Monday, November the livered in the church hall on Mo 10th, when a formal reception was tendered to Bro. Private Da. Powell, of Calgary, on the popul Roughton, who had just recently returned from service overseas. A good attendance is hoped for. There was a good attendance at the regular meeting, when the mys-teries of the second degree were entrusted to two candidates. Following the regular business, the meeting took a social form, when Albert Hallworth, noble grand of Bellevue Lodge 118, occupied the chair and in a very appropriate manner outlined the object of the evening and at length culogized the extent to which Oddfellowship Large to the policy for the policy of the po
